The proposal involves the promotion of an unqualified person from inferior to superior service for appointment without advertising the direct recruitment vacancy As the pay is in grade Rs 25-3-40 plus 5/- C A , qualified candidates may apply if the post is advertised as per rules It is not reasonable to presume that S S L C candidates do not stick to the post The vacancy may, therefore, be asked to be advertised, and in case there is no response, the proposal may be renewed for the consideration of Government
